

Origami Elective Packet

CYJSL Summer 2020

Shalom! Welcome to the Sprout Ba'bayit Origami Elective packet. This summer you challenged yourself to learn and engage in the Japanese art of folding paper, Origami. Together we used paper and our imagination to build a new world out of paper. In this packet you will find instructions to all of the origami we made as well as links to websites and books to learn more. Keep folding and see you next summer!
