

## Podcasting 2.0

### Materials List

- A stable internet connection and quiet room.
- Access to a device with zoom, preferably on a computer, but an iPad or phone could work.
- Headphones with a built-in mic. There are lots of these ranging from the typical earphones that come with iPhone to AirPods to fancying gaming headsets.
  - Here are some options:
    - For iPhone 11 and earlier and iPads before 2019: Apple EarPods with Lightning Connector - White
