HOW CAN I MAKE A DIFFERENCE DURING HANUKKAH?

One way to change the world, is to make a commitment to help when needed. As you celebrate Hanukkah, the festival of lights, take this opportunity to stop for a minute and think about others who need light and warmth in our community. Each night when you light a candle, please add a blessing or a thought:

- First night, First candle, נר ראשון (Ner Rishon) On this night of Hanukkah I light this candle to remind us that there are still many people who don't have food to eat. I will do what I can to help feed the those who are hungry.
- Second night, second candle, נר שני (Ner Sheni) On this night of Hanukkah
 I light this candle to remind us that there are many kids who are living in poverty.
 I will do what I can to help children living in hardship.
- Third night, third candle, נר שלישי (Ner Sheleashee) On this night of Hanukkah I light this candle to remind us that there are girls around the world who are not allowed to get an education. I will do what I can to fight for equal education for all children.
- Fourth night, fourth candle, נר רביעי (Ner Rev'ee) On this night of Hanukkah I light this candle to remind us that our planet needs us, so that we have fresh air, plants, and water to survive and thrive. I will do what I can to help our planet.
- Fifth night fifth candle, נר חמישי (Ner Hamishee) On this night of Hanukkah I light this candle to remind us that there are many animals that need our care, animals that need homes and animals in nature that need our assistance. I will do what I can to help animals.
- Sixth night, sixth candle, נר שישי (Ner sheashea) On this night of Hanukkah I light this candle to remind us that not everyone in the world is being treated equally and we need to emphasize kindness over hate in the world. I will do my part to end racism and anti-Semitism and make the world an equal and just place for all.
- (Ner Shevee'ee) On this night of Hanukkah I light this candle to remind us that a worldwide pandemic is happening right now. There are many heroes working hard to fix it, but there are many people affected by it all around the world. I will wear my mask and practice safe distancing so I can do my part to keep others healthy!
- Eighth night, Last night, all candles On this last night of Hanukkah I light this candle to remember that I have the power to make a difference in the world by setting an example. I can be a light in this world and make a difference in my own way.
