After completing the check, you'll receive a 'GREEN' badge in your email providing permission to enter camp. **Should you receive a red badge, contact camp immediately and do not enter camp or get on the bus.**

### HEALTH CHECK APP:

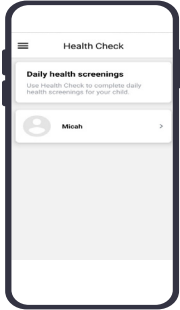

To facilitate a simple and easy health check, we'll be using the CampMinder 'Companion' app. The app can be downloaded for free in the [Apple AppStore](#) and in the [Google Play Store](#), or by searching for 'CampMinder' or 'Companion'.

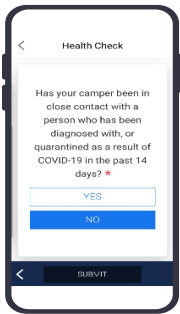

Once the app is downloaded, log into the app using the SAME email address and password that you use to login to your family's CampInTouch Account.

Once you are logged in, you'll be taken to the main Health Check screen. You will see the name of each camper you have enrolled in camp. The check must be submitted for EACH camper.

For each camper, answer the health check questions by answering *yes* or *no* as appropriate. Once completed, press 'Submit'.

You will then receive a green or red badge to inform you of your status. Additionally, you'll receive a copy in your email.

Upon entering camp, you'll be asked to show your green badge. **Should you receive a red badge, contact camp immediately and do not enter camp or get on the bus.**
