

In celebration of Omer's life, please join us in the establishment of **The Omer Neutra Center for Leadership, Israel & Jewish Education**

Captain Omer Neutra z"l was a proud Sproutie, attending in 2013 and in 2014. These experiences helped shape his Jewish identity, his love of Israel, and his commitment to leadership and service. Omer made Aliyah shortly after graduating high school, becoming a "lone soldier" in the Israel Defense Forces.

He chose to serve out of love - for Israel, for the Jewish people, and for the values passed down to him as the grandson of Holocaust survivors.

Omer was captured and killed by Hamas on October 7, 2023, while serving as a tank "platoon" commander in the 77th Battalion of the 7th Armored Brigade of the IDF. Omer led with integrity, confidence, and quiet strength, never faltering even in the most dangerous moments.

Honoring Omer Through Action

The Omer Neutra Center for Leadership, Israel & Jewish Education will stand as a living memorial - not only remembering Omer's bravery but advancing the values he embodied. This new center will:
